Re: Notice to Prospective Offerors: Addendum to Cover Letter

The intent of this notice is to give prospective offerors additional instructions when submitting questions regarding the Request for Proposal for the Operation of DUF6 procurement:

Offerors may submit questions regarding the solicitation by e-mail to the CO at DUF6@emcbc.doe.gov or by using the link to this mailbox on the DUF6 Project website: <http://www.emcbc.doe.gov/DUF6>

As stated in the Cover Letter, offerors may also submit questions through the "Submit Questions" feature on the IIPS.

DOE asks that any of the two processes stated above be used rather than mailing letters, emails, and/or telephone calls.

All questions shall be submitted within 30 calendar days after the release of the RFP. Questions submitted after that date may not allow DOE sufficient time to respond. Questions and answers will be posted on a periodic basis.
